## FOREWORD

Powerful new structures of concrete and steel stretching across Northeast's campus are evidence of the architect's plans for a modern, well equipped school. Off the drafting board come other blueprints—plans much more important—plans for tomorrow's citizens and leaders!

Our school leaders, master architects building skillfully with knowledge and understanding, using such tools as organizations, encourage service and athletics to build character and sportsmanship.

In this *Nordlys* we will try to present an accurate picture of the life and activities of Northeast High School that come "Off The Drafting Board."

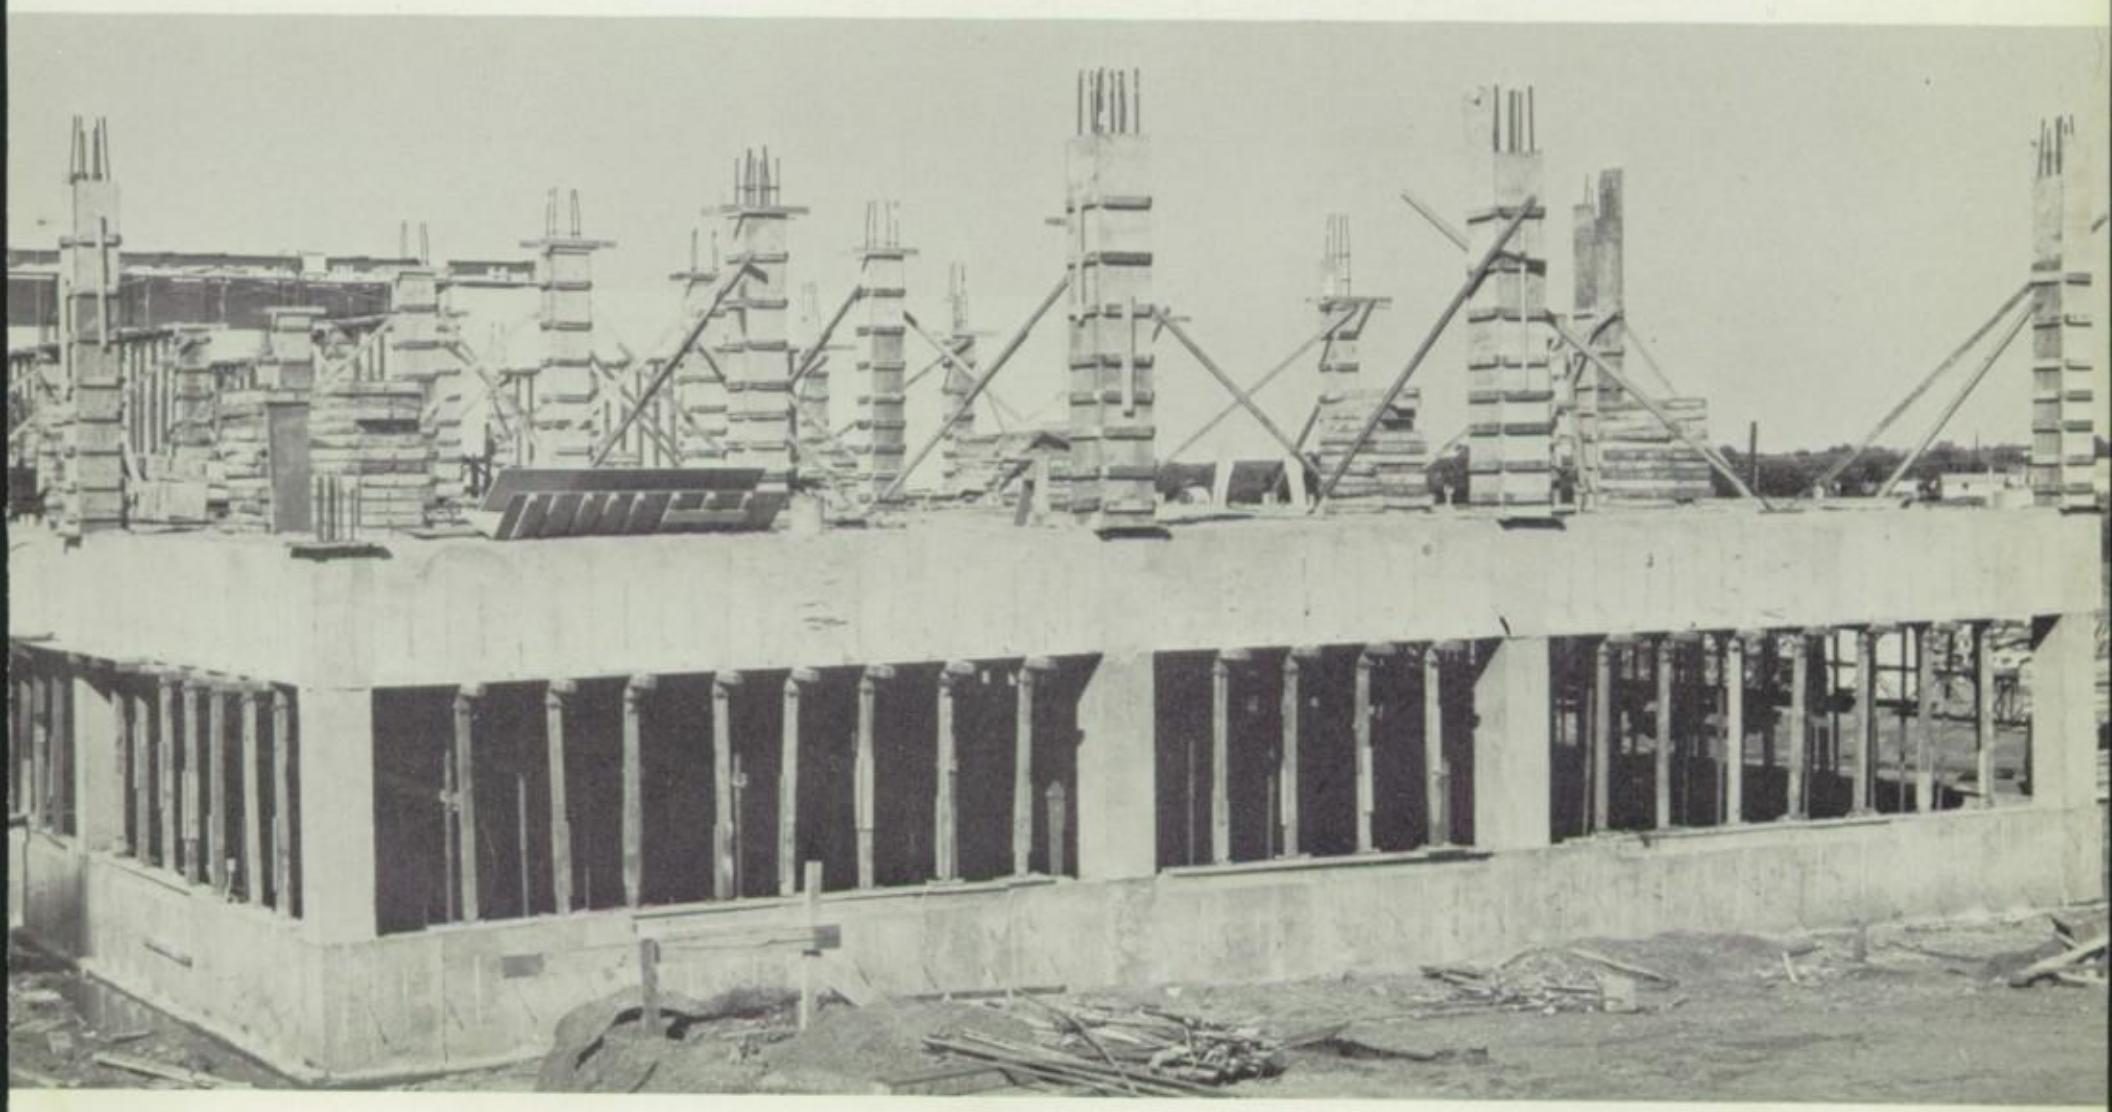
Mr. Scott and Mr. Greene make plans for 1961 Northeast expansion.

# We Plan Ahead

Northeast has a long and exciting history. When Northeast was built in 1937, there were no paved streets around it, not many houses, and lots of trees and oilwells. As the years progressed, Northeast grew in size. In 1955, portables were added to our backyard, and in the spring of '59, a new near million-dollar addition was started.

We at Northeast are proud of our school and are looking forward to seeing the reality of the plans from "Off the Drafting Board."



# We Honor Mr. Greene

On May 26, 1960, Mr. J. B. Greene completed twenty-three years as principal of Northeast High. His dedication to duty, his ability, his role as principal, counselor and "friend in need" have endeared him to all students of this school. Throughout these years his every thought and consideration have been for the expansion of our school. The students and faculty of Northeast have always had a warm affection for Mr. Greene. We want to congratulate Mr. Greene on his new position as director of secondary education in the Oklahoma City Schools. We wish him great success.

# We Welcome Mr. Scott

Mr. Lederle J. Scott, who came to Northeast from Lee school, received his education at the University of Oklahoma. He was a teacher at Capitol Hill Senior High and Rancho and was principal of Belle Isle and Lee schools.

His wife, Mari, is a kindergarten teacher at Fillmore. They have two children, a boy, Bill, sixteen, who is a student at Grant High, and a girl Margie who is five.

Mr. Scott is very much interested in golf. Last year he was President of the Administrators Council, which is quite an honor.

# Mrs. Akers

We would also like to welcome to Northeast Mrs. Dwight Akers, a very friendly person, who is Mr. Scott's secretary. She has worked with him for three years and has been in the Oklahoma City school system for eight years. She has a grown son and two grandchildren. She loves baseball and hopes someday to attend the World Series.

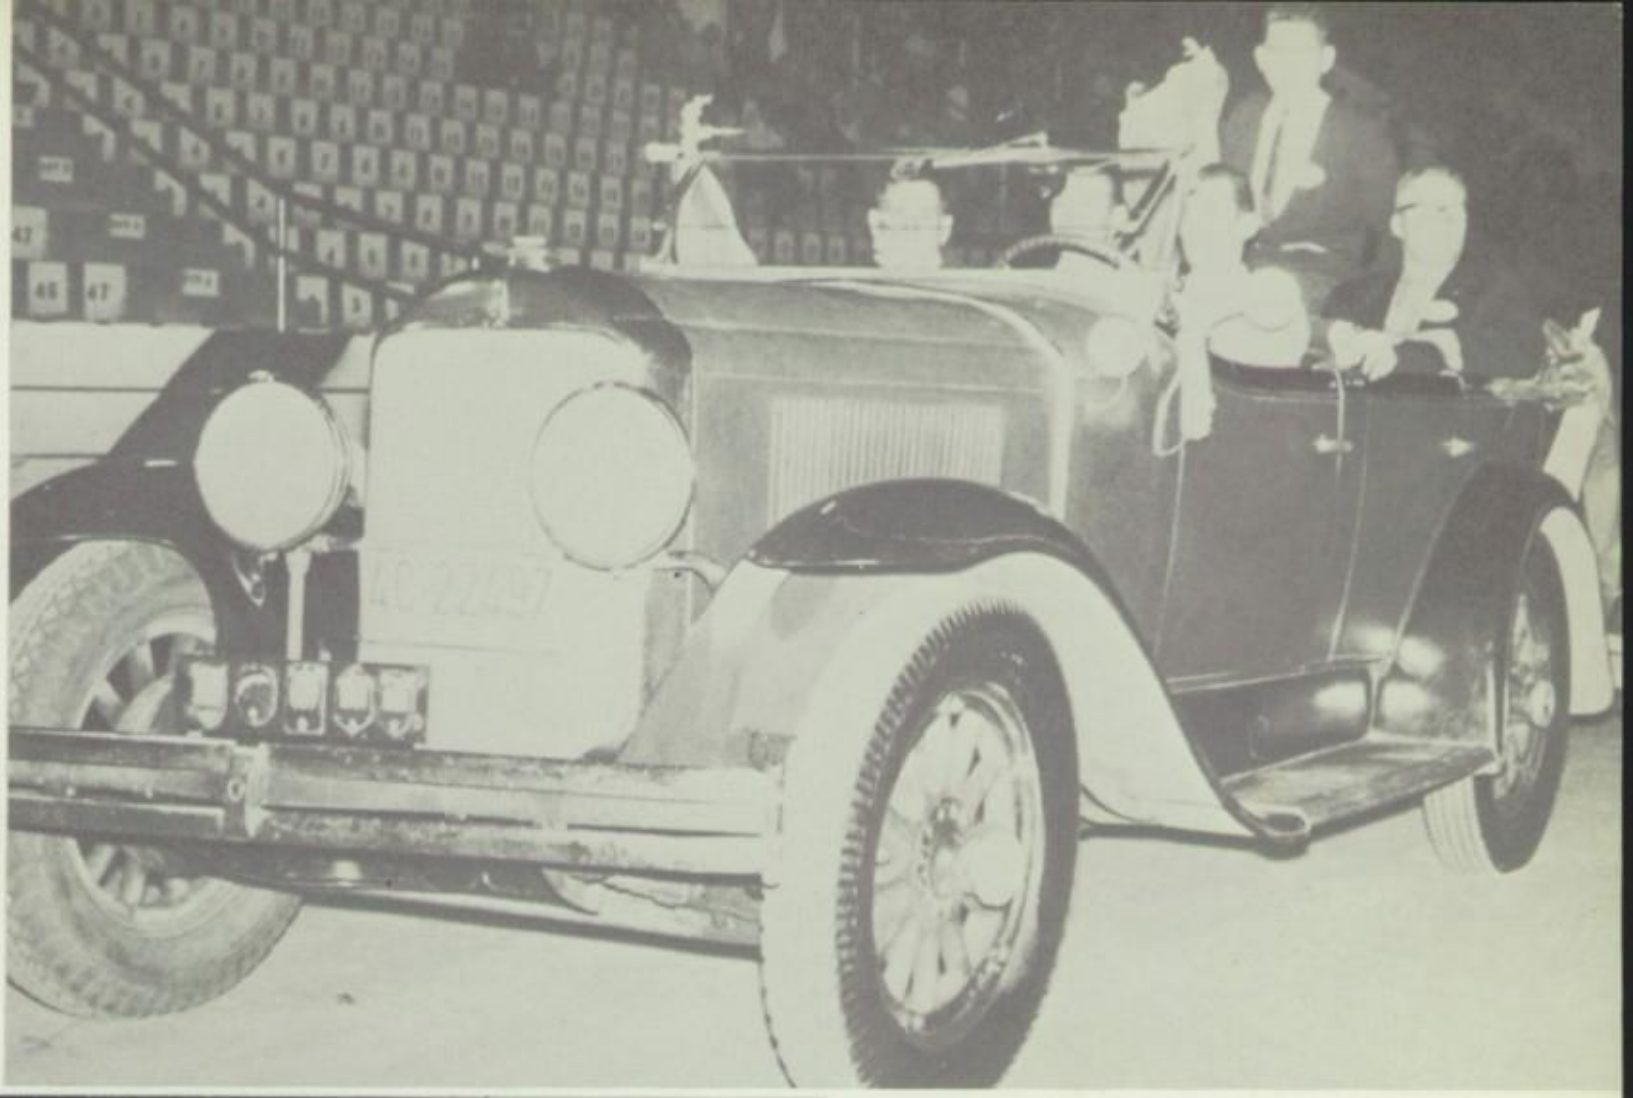
# Activities Spotlight

Honkparades are only one of the activities that let us display our *Northeast enthusiasm.*

The Norket bus trip to Tulsa was an unforgettable experience for these senior girls who are waving good-bye.

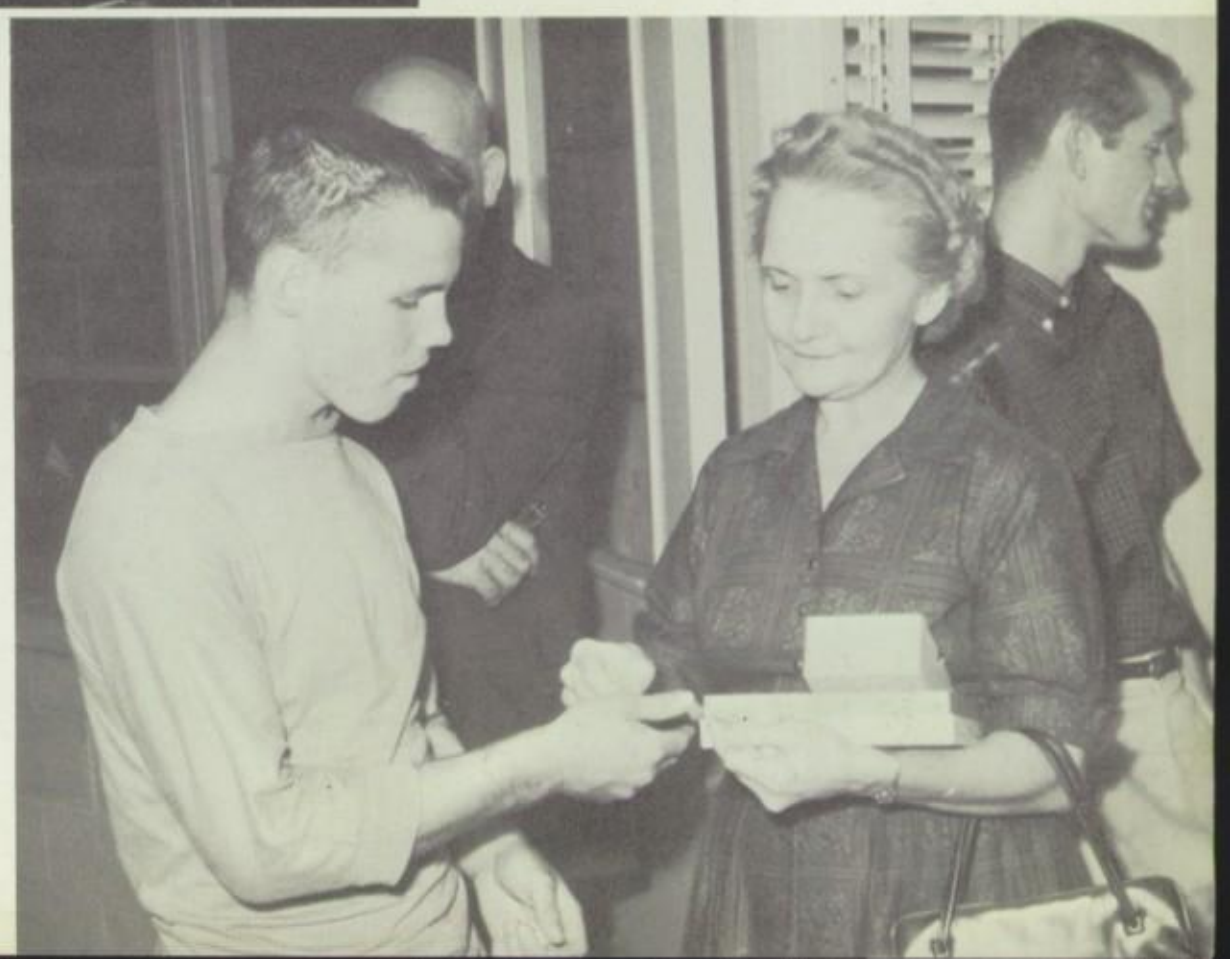
Girls count the seconds until the game is over, and they can walk their favorite boy off the field.

# Our Plan Of School Life



At homecoming, the alumni sported this fine example of the *lasting spirit of Northeast.*

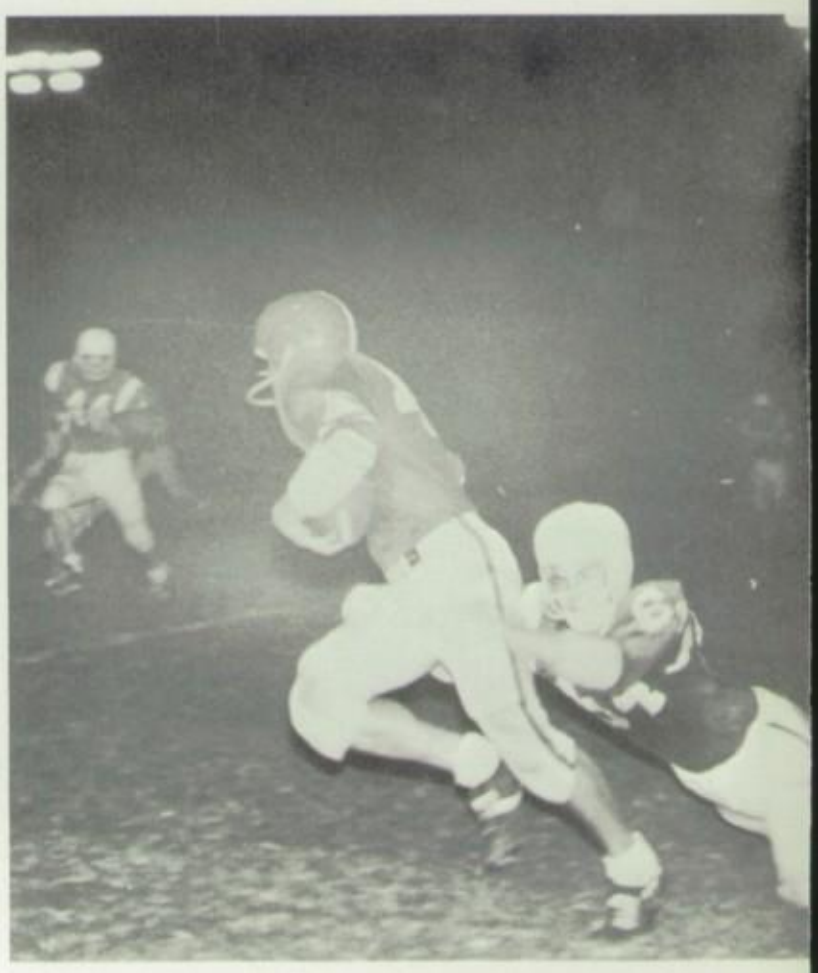
Don Lewis, urged on by his fellow seniors, dares to "make-up" with Shirley's lipstick.



Mike Johnson shows his Northeast Center mixer pass to Mrs. Pyle, one of our chaperones.

# Football Season Sparks Activity

Northeast's 1961 Football Queen, Pat Burke, is escorted by her favorite football player, Co-Captain Ron Hornbeek.



Perry Taaca plunges downfield for a *TD*.

These football players, alias Norkets, caused a near riot in one of our pep assemblies.

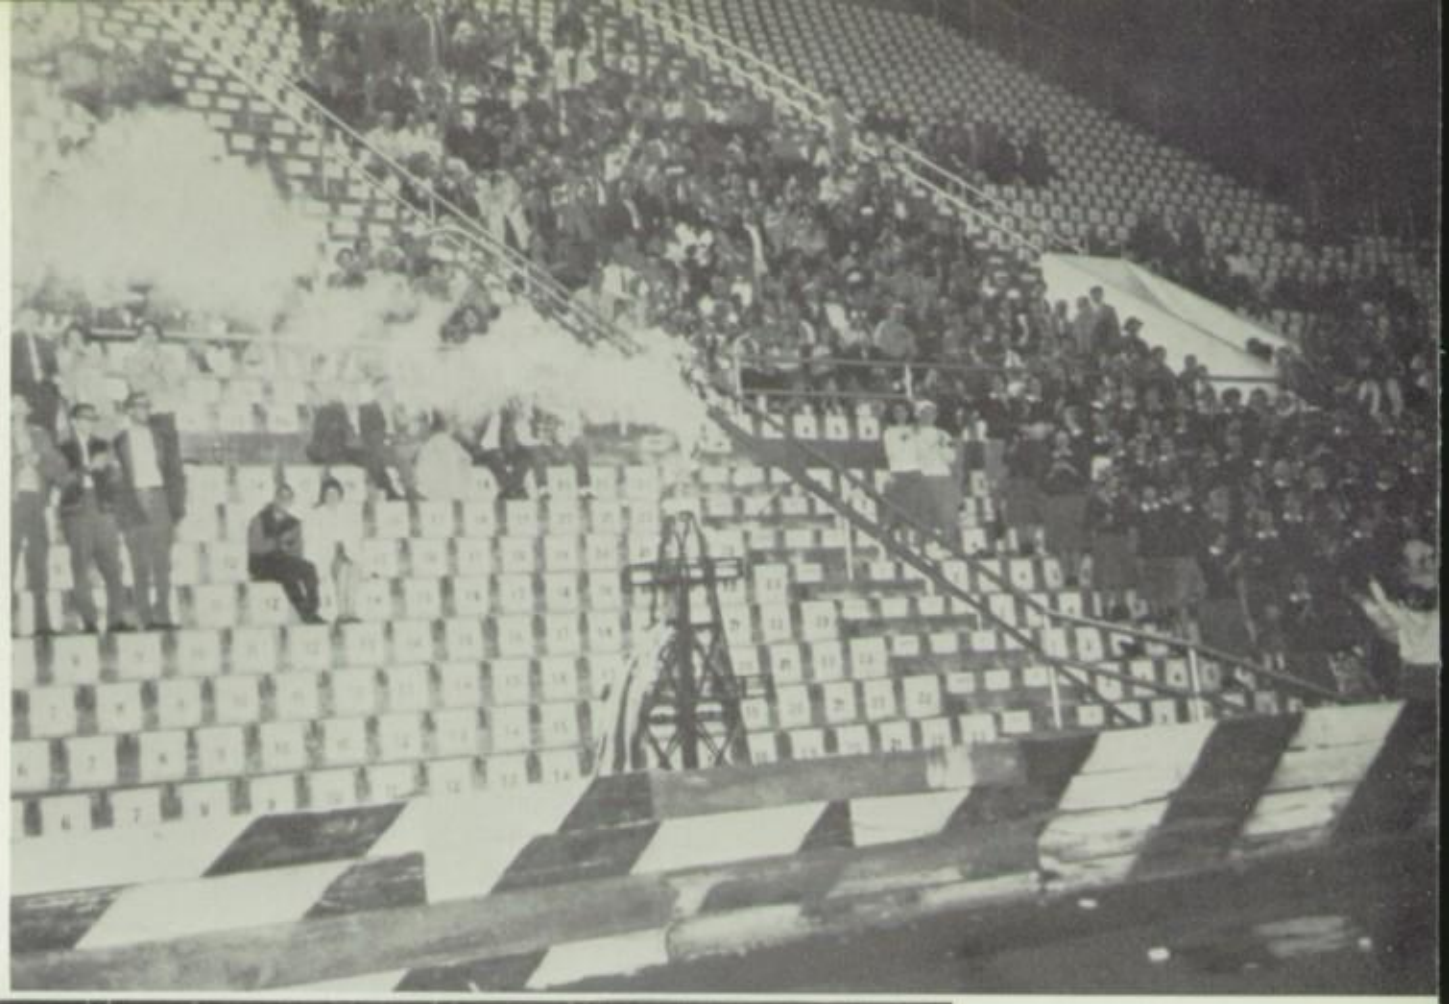
# All Work And No Play?

These girls were strictly for Goober for President in the Norket Carnival Floor-show.

The Student Council's paper drive stressed competition between the boys and girls for the most paper. The girls *almost* won.

Mike Kirkpatrick has the silly idea that he can out-drag Bobby Sholar's "T". Roger Hubbard and Hugh McCrabb say it will be a close race.

# Things We See

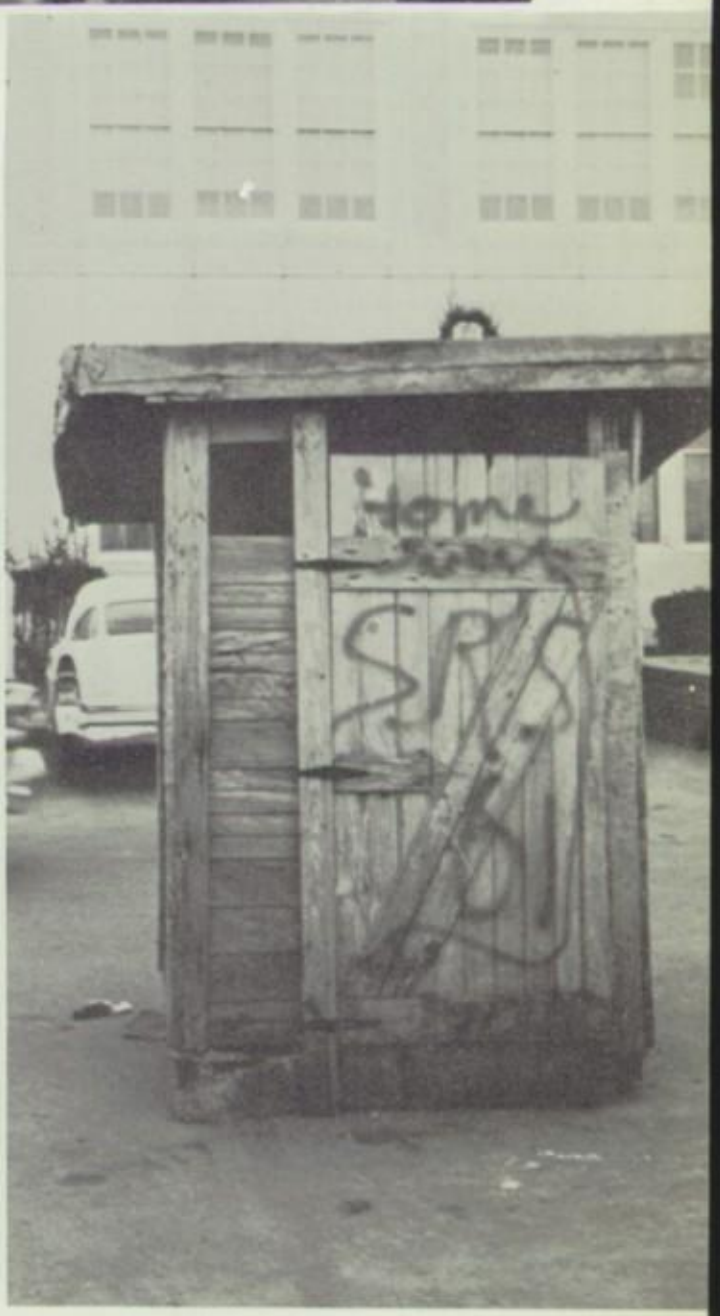


*Northeast's* symbol, the Oklahoma oilwell, spouts its victory cry when we score!

David Lewis, a junior high favorite, is quite the ladies' man, especially when they've ordered some food.

These loyal *Northeast* parents chartered a bus for the Tulsa game to see our team in action.

Horizon Senior High girls prepare for their long trip to New York City for the national Horizon meeting.



The football boys "bust" through the traditional Norket frame on to another *Viking Victory!*

Viking Varieties rehearsals make everyone so tired.

The Varieties King and Queen are crowned.

# Golden Moments to Remember

These Cannibals, (*our* 1960 *cheerleaders?*), shocked the entire audience.

Play Pro's mummy danced for Cleopatra.

Students jammed the Northeast Center for the 1960 Nordlys Autograph Party.

The coronation of the *Nordlys* King and Queen was an exciting and unforgettable moment for Jerry Frazier and Martha Smallwood.

Mrs. Davidson seemed to have "twirped" George Vaughn at the 1960 Twirp Dance!

# From 1960

These '60 Seniors are preparing for their *Senior Ditch Day* to Lake Murray!

The annual awards assembly surprised many deserving students of 1960.

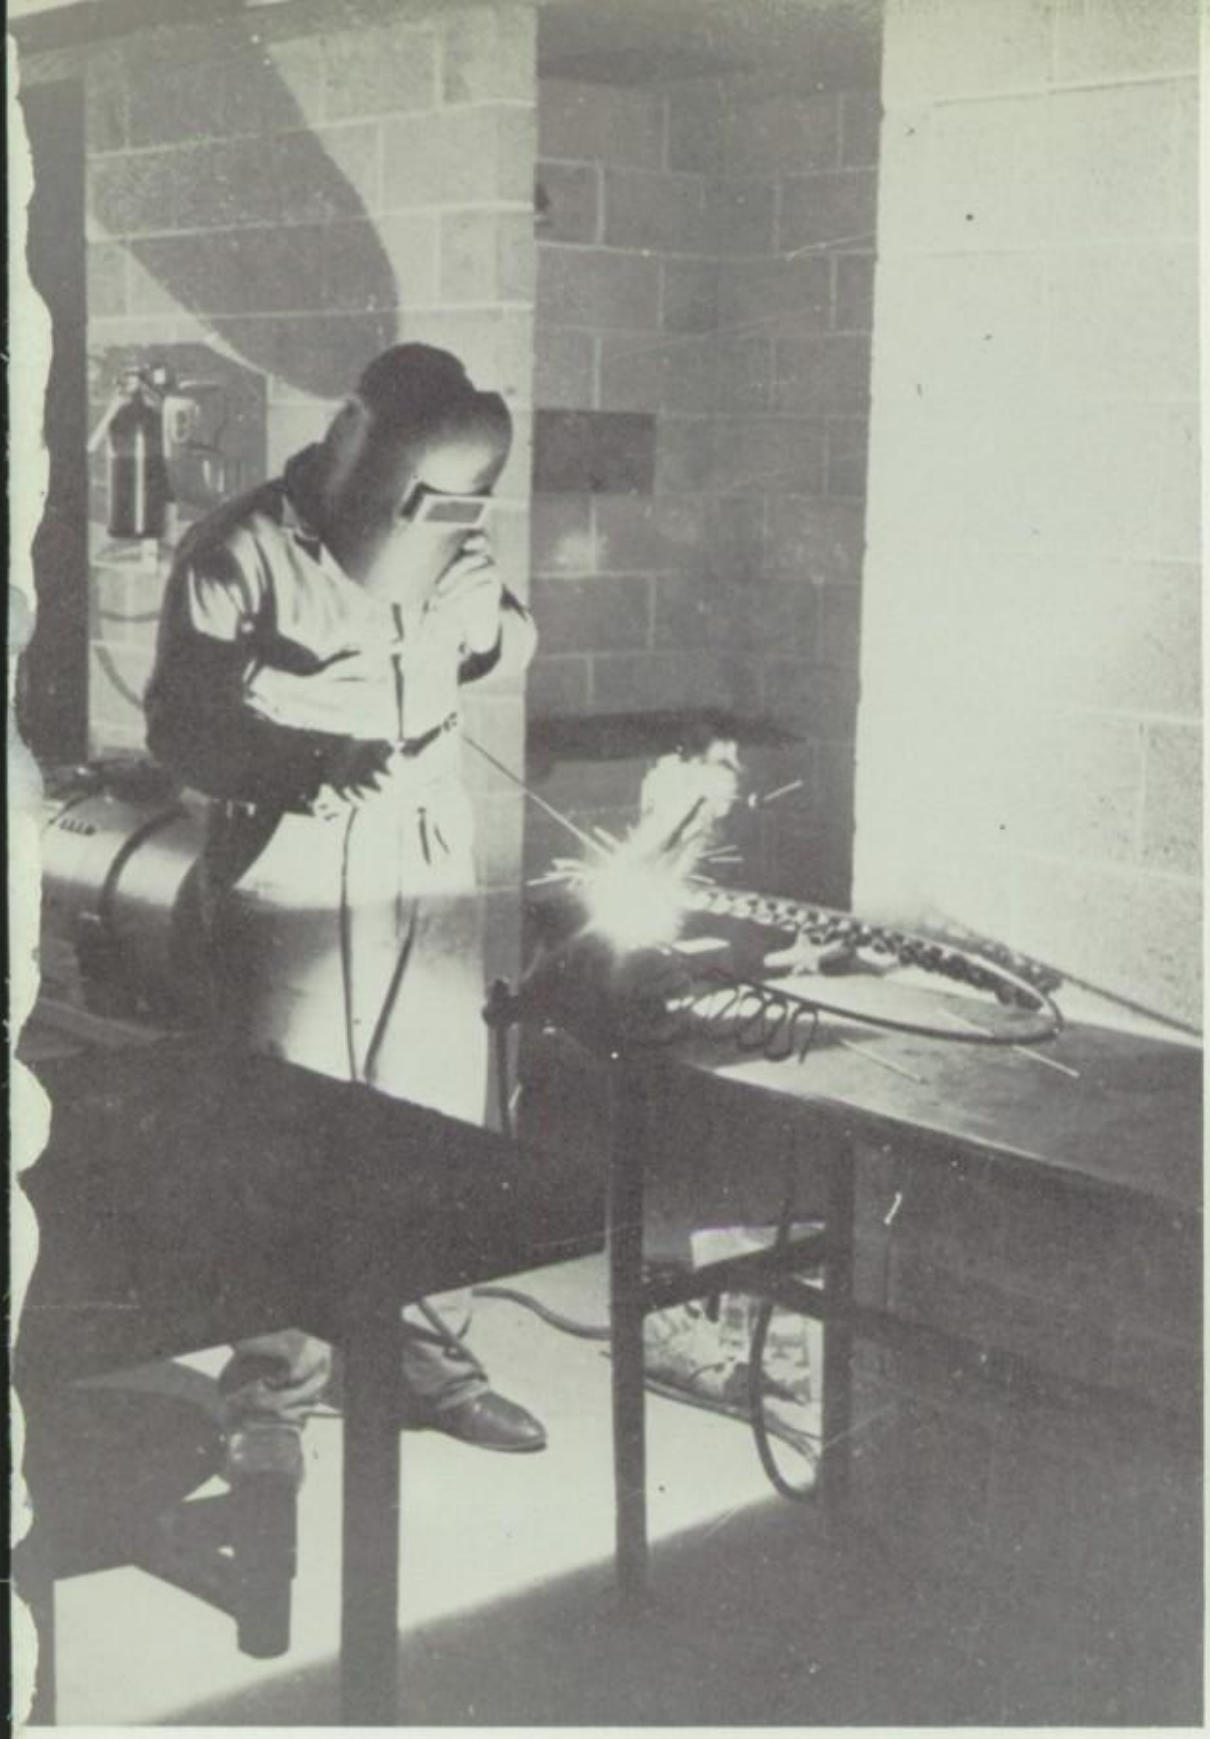
# The Game's The Thing!

Bill Quick sets a *quick* pace as he struts to the sound of the band.

After every game, you can be sure there'll be a mixer at our Northeast Center. These girls are waiting for a chance to dance.

Our cheerleaders are all pep at the games. Here they form a friendly group to pose for their picture. Tired Girls?

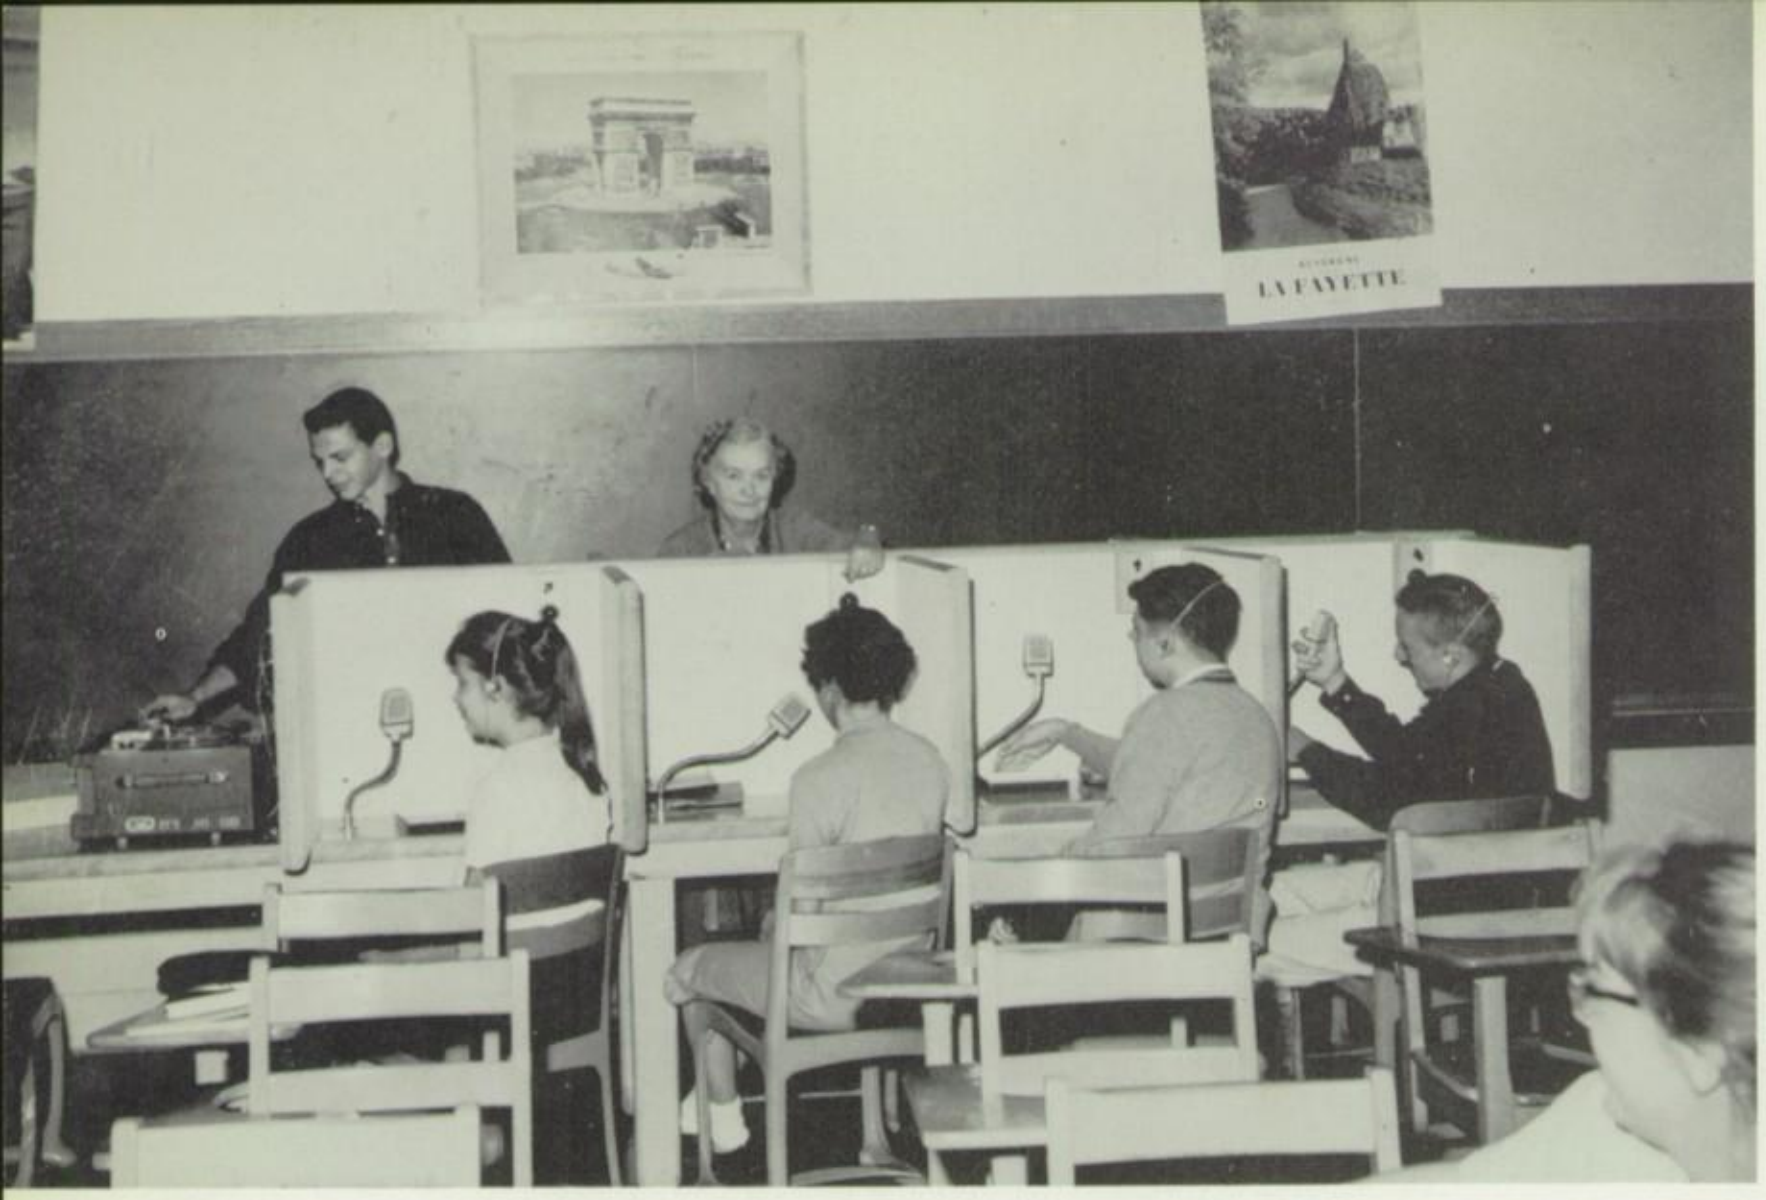
# These Classes Develop Our Skills



Welding is an important class for boys interested in mechanics as a career.

A future Northeast homemaker is learning to sew a straight seam.

Cooking class enables girls to observe the correct ways to prepare a carefully balanced meal.

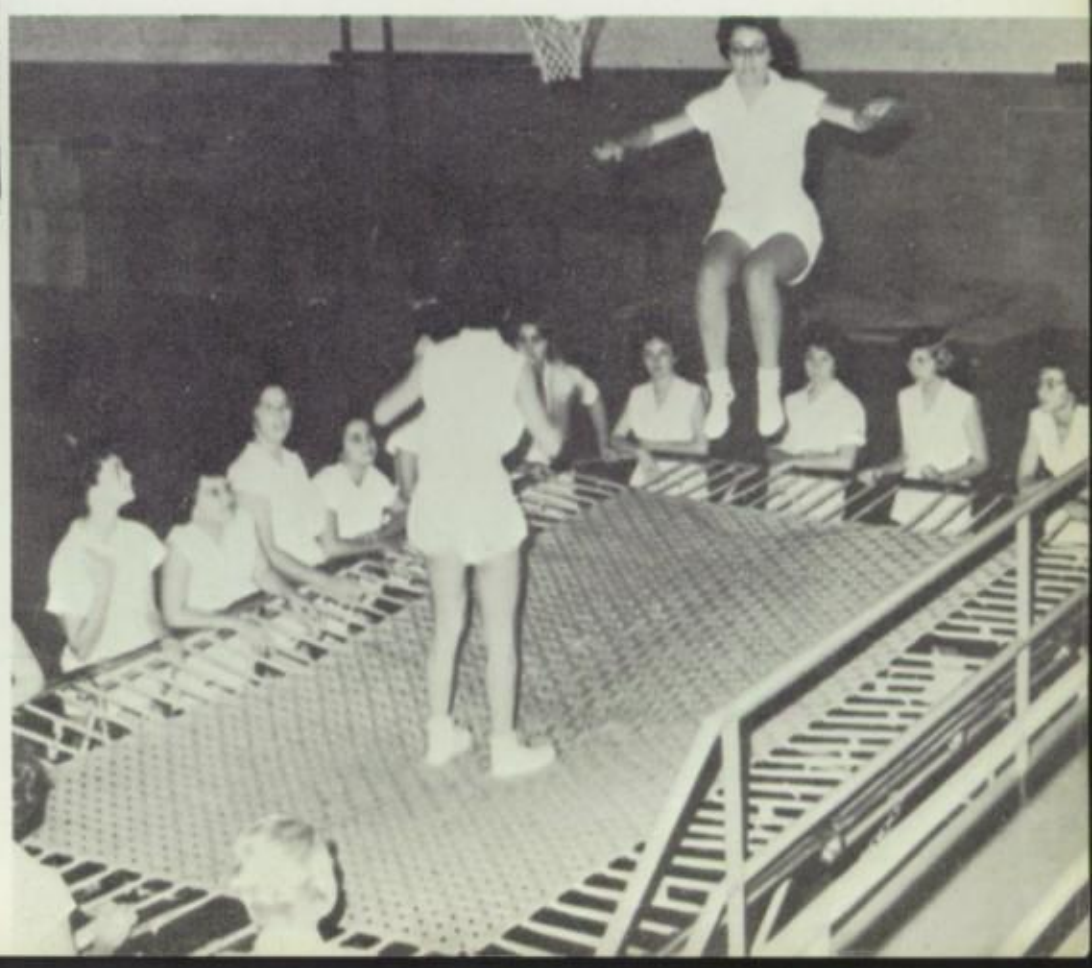


Foreign language students gain skills with the help of these instructional recording booths.

Our library, one of the largest in the city, guides Northeast students to effective research.

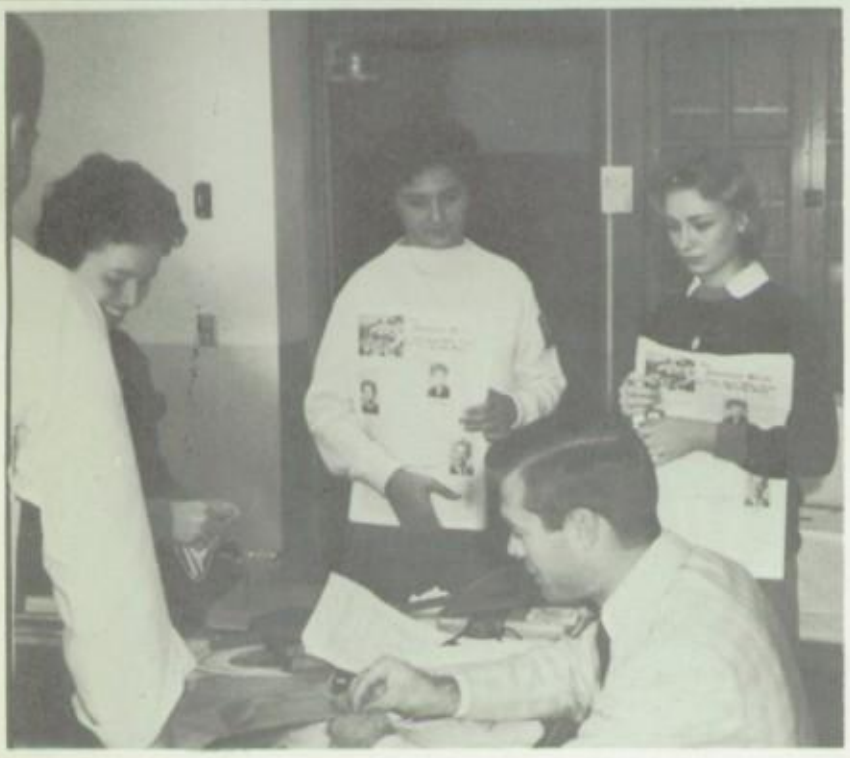
Creating a three-dimensional effect are these individual speech booths which allow students enrolled in play pro to practice and improve their techniques.

These advanced shorthand students have attained a skill most helpful for their school and career life.



Mastering trampoline techniques gives us a means of developing better individual coordination and control.

The witches' scene in *Macbeth* is re-enacted here for the benefit of English VII classes by three senior girls.



The *Scroll* staff works hard for the publication of Northeast's bi-monthly newspaper.

The *Nordlys* staff has the big job of assembling a whole year of work and activities into a memory book for the student's enjoyment.

To some very special seniors:

I am proud to be a part of your school and even prouder that you are a part of it. No matter what you do or how far you wander from us you will always be a part of Northeast, a cherished part. You will always be special to me for yours will be my first Northeast graduation. As the seniors of the future walk through the new wings of our building, they will be reminded that you were the first graduating class of the new Northeast.

You've started a new tradition for us and now the world is waiting for you. Use it to your advantage and do your part to make it a better place for the rest of us. You are the "greats" of tomorrow, you are our ideal.

The *Nordlys* staff has really been busy this year with the planning of the best yearbook yet. In order to be well acquainted with the parts of the yearbook, each student had to read and report on twenty-four articles on yearbook production. Early this fall, six students from the *Nordlys* staff went to a workshop at Central Christian College to learn how to put a good yearbook together. Other activities for the year have been an assembly, the election of the *Nordlys* King and Queen, and an autograph party.

# Build Scholarship and Citizenship

To belong to the National Honor Society is one of the highest honors a student may attain. Besides having a 3.5 grade average, a student must give service to his school and show evidence of leadership ability and good character. Although only juniors and seniors are eligible for membership, Northeast recognizes tenth grade students with the necessary requirements as Honor Cadets.

In February the senior high Honor Society held their initiation at the Student Union at O.C.U. There the members, initiates, cadets, and parents were privileged to hear an address given by Mr. Roy Blackwood, president of the Blackwood School of Business. Mr. Blackwood pointed out the value of enthusiasm in reaching one's goal.

The junior high Honor Society held their initiation in January at Adair's cafeteria.

Each year, at the awards assembly, the Honor Society presents a cash award to a senior boy and a senior girl who have given outstanding service to the school.

Members of the National Honor Society take pride in their fine organization Northeast takes pride in these members.

The Northeast High School orchestra has been very active this year, under the direction of Miss Lois Fees. In December, they played a concert for the band and orchestra parents. Judy Snell, was announced as the newly-elected Orchestra Queen and presented a jacket. Also in December, the Northeast String Sextet played a special number at the All-City Junior High Orchestra Festival.

Two members of the orchestra, Billy Estep and Judy Snell, were chosen members of the 1961 All-State High School Orchestra.

In March, the Orchestra appeared on KETA-TV. Several soloists were featured. In March, they also had District Contests, followed by State Contests in April. In May, they gave their annual spring concert with the band. At this time the Northeast Orchestra Queen was crowned.

# Cheers For Victory

The cheerleaders work hard during the school year to promote school spirit. They start their year's activities by attending a clinic at Norman during the summer. At this, they placed second. Assemblies, honk parades, and pep rallies are all planned by the cheerleaders to show our teams we're behind them. The cheerleaders were always there, whether ahead or behind, to give a cheer to back the team and send it on to victory!

The Norket Pep Club was only one of four pep clubs started at Northeast to survive through the years.

Besides creating school spirit, the Norkets engaged in many school events. Among the highlights of the year were the Norket Carnival, All Sports' Banquet, and Pancake Platter.

Northeast is indeed grateful to the Norket Pep Club for the pep and enthusiasm it creates.

This year has been one of the best yet for the Senior Horizon Club. The club began its year with a Coke party for the new members, followed by an initiation dinner at Jack Sussy's. A few weeks later, some of the girls attended a Civil Defense clinic at O.S.U. Because of everyone's intense interest and enthusiasm in Civil Defense and First Aid, the group decided to center their program around it, frequently inviting speakers to address the group. Service projects, bake sales, a drawing for a transistor radio, parties, and participation in Intra-city projects such as the Friendship Tree at Christmas have combined to add to this year's fun. Following tradition, the Horizons again presented one of the best acts in the Viking Varieties.

The highlight of the year was when the Oklahoma Council made it possible for a few of the Horizon members to attend the Golden Jubilee Convention in New York City. They made stops on the way in Washington D. C., Philadelphia, West Point, and Niagara Falls. This was indeed an attraction which the girls will never forget.

Y-teens aim high! Their goal is service, better living, and good will. Northeast is proud to have one of the most active Y-teen chapters in the city. For the past three years Northeast has won a gold trophy for having the largest membership in the city. Along with service projects and money-raising projects go hours of fun. The biggest social activity of the year was the annual Christmas dance which was held this year at the Officers' Club at Tinker Field.

The 1960 football season was highly successful for the Northeast Vikings. The thought prevailing in the minds of the Vikings at the beginning of the season was lack of experience throughout the team. This had to be overcome by hustle and team spirit. These two qualities combined with the hard work of the coaching staff, made the season an exciting and rewarding campaign for Northeast. Although not repeating as Capital Conference Champs, the Vikes closed the season with an accomplishment not equalled by any Viking team since 1955, as they defeated their cross-town rival, N. W. Classen, by a score of 20-6. When the final gun sounded, ending this contest, we had posted a 5-5 season record.

Students and patrons of NEHS enjoyed one of the finest Basketball seasons in several years as they watched the Vikings compile 14 wins over the 20-game schedule.

Height and hustle, major assets to a good basketball team, were coupled to produce this winning combination. The Norsemen led all city teams in scoring by averaging better than 57 points per game.

This success was due to the hard work done by each team member and Coach Krueger.

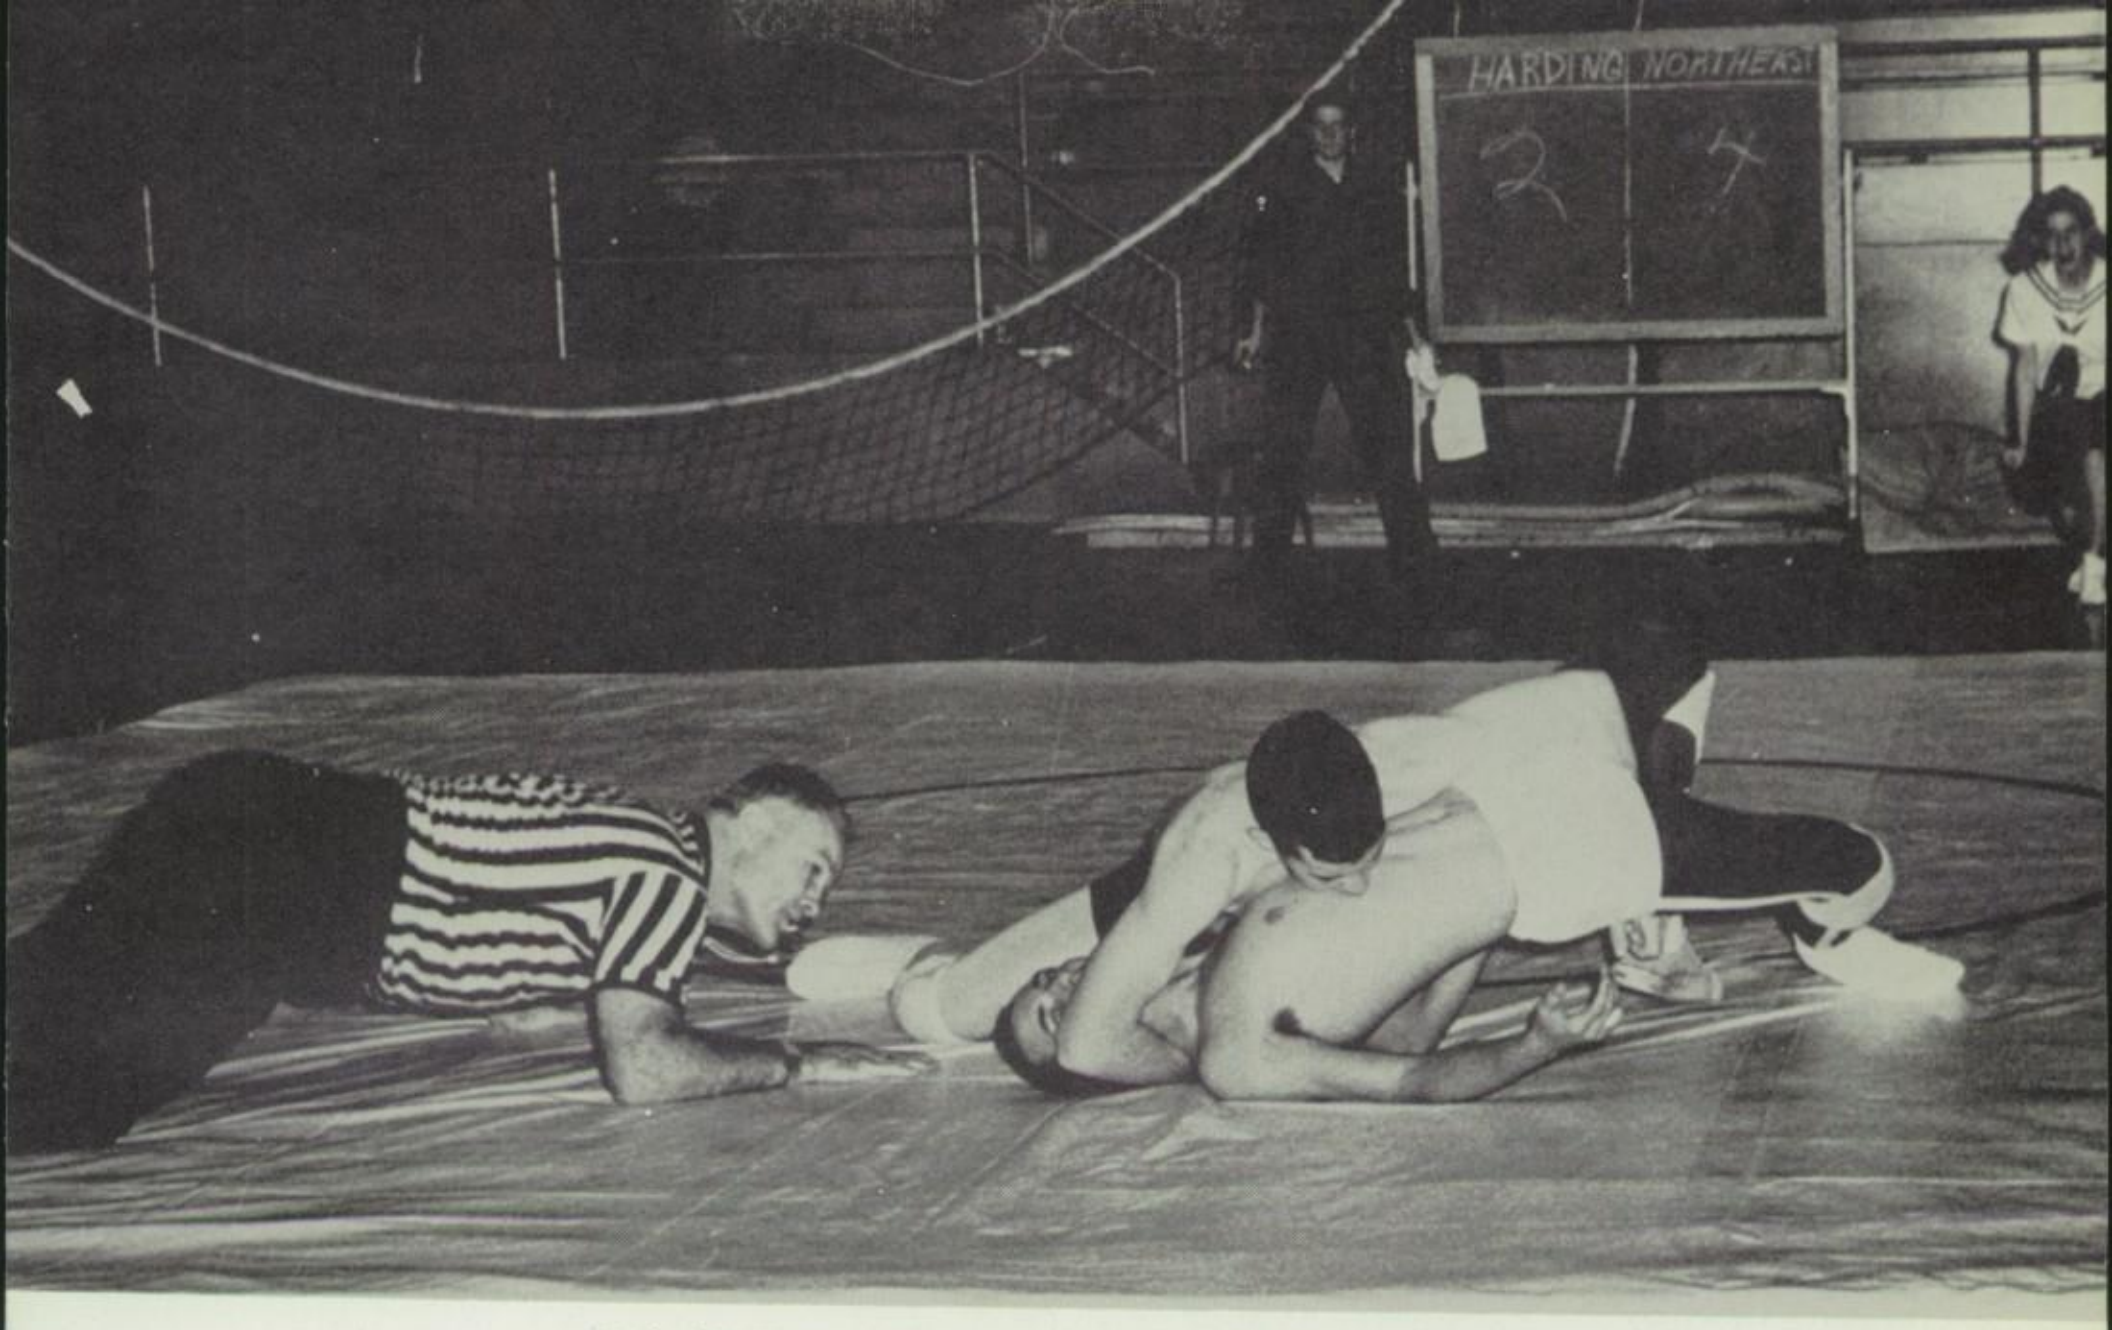
Perry Taaca, Regional Champion and Second in State for 148 lb. division.



Richard McKinney attempts to pin this unfortunate Hardingite.

# Boasts Champion

The Northeast wrestling team, under the coaching of Harold Merideth, has fought hard this season. Although they didn't win many of their matches, they concentrated their power in a few members of the team. In the All-City tournament early in the season, Perry Taaca won in the 156-lb. class. At the Midwest City tournament, Tacca again won, and Richard Segnar won second in the heavyweight division. At the Capital Conference, Taaca came in first at 156 lbs. When the Regional Tournament came around, he changed to 148 lbs. and did it again. Finally, at the State Tournament, he placed second in the 148-lb. class. Northeast can really be proud of Perry since he is a junior and can look forward to a big senior year. The team will lose its captain, David Schilling, who graduates this year.

Hugh McCrabb starts his match with the initial hold.

Northeast was subject to change — 1961 sparked its year to do so. Our year was filled with the sound, the smell, and the excitement of construction. The Nordlys Staff, realizing this fact, struck upon the theme, "Off the Drafting Board." We have adapted this theme to present the academic side of Northeast, as well as the social and athletic divisions of our curriculum.

Conceptions have turned to the modern trend. For this reason, we have, for the first time at Northeast, presented the advertising in the back of the book. We feel that in this form we can also represent the merchant more adequately. We have returned to the flat cover, and added many pages for a more comprehensive coverage of student life. The cover portrays our "golden" years to follow. For the first time in any Oklahoma yearbook, we have selected the use of a die-cut for the division pages to preview the sections.

Now you can understand why we are so exuberant in our satisfaction on presenting this book to you, the student body. It is our wish to instill within you a genuine sense of pride and humility for Northeast while you scan its pages. These pages tell the story of a year in your life which you will not want soon to forget. When you depart from Northeast's doors for the last time, carry this Nordlys with you as a memory book of that year for learning, that year for activity, and that year for change.

Let us not forget to express our deep appreciation to Mrs. Lois Miller, our dedicated sponsor and an even more dedicated friend. And thank-you, Northeast, for being so patient with us while we have tried to pictorially write your 1961 biography.

Very Sincerely,

JOY CAMPBELL, Editor 1961
